

*During the 2012-2013 school year, \$1.6 billion was spent out of pocket in the U.S. averaging \$485 per teacher. FundMyClassroom.com is here to help.*

Imagine a classroom where all supplies are provided to you, field trips are funded and special projects such as Smart Boards are possible. Where would your teaching take you? Would your lesson plans change? Would you appreciate less out of pocket spending?
